Santa Clara Family Health Plan™

Community Supports Referral Form
Asthma Remediation and Environmental Accessibility Adaptations (Home Modifications)

Fax: **1-408-874-1985**

Submit the completed referral form and all applicable documentation by fax to **1-408-874-1985** or through Santa Clara Family Health Plan's (SCFHP) **Provider Portal**. You can also complete a referral form over the phone: Call SCFHP Medi-Cal Customer Service at 1-800-260-2055 (TTY: 711), 8:30 a.m. to 5 p.m., Monday through Friday or call SCFHP DualConnect Customer Service at 1-877-723-4795 (TTY: 711), 8 a.m. to 8 p.m., 7 days a week.

Allow up to five (5) business days for the referral to be reviewed and processed once received.

Questions? Please call either SCFHP Medi-Cal Customer Service or SCFHP DualConnect Customer Service at the numbers above.

- Community Supports are medically appropriate and cost-effective alternative services covered by SCFHP, such as hospital care, nursing facility care, and emergency department use. Community Supports are optional services provided by SCFHP. These services vary based on member needs and care plan goals.
- Community Supports Asthma Remediation and Environmental Accessibility Adaptations/Home Modifications are available to members who meet specific eligibility criteria.
- Community Supports services each have different requirements. Please ensure the member meets all eligibility criteria before submitting this referral form.
- SCFHP may require supporting documentation to ensure the member meets eligibility criteria.
- Members may receive more than one Community Supports service at a time. However, they cannot exceed lifetime maximums.
- Referral forms can also be completed and submitted online through the **SCFHP Provider Portal**.

Please provide additional comments, as needed.		

Member Consent

Consent must be obtained from the member to receive services and to share their personal data with SCFHP and the assigned Community Support provider. Member has the right to discontinue receiving services at any time.

Select the type of consent obtained from the member or Appointment of Representative (AOR).

☐ Verbal Consent (member/AOR) ☐ Written Consent (member/AOR) ☐ No Consent

Documentation Requirements

SCFHP requires the documentation listed below be submitted with this referral form in order to determine if the member is eligible for services.

Asthma Remediation

1. A copy of the completed in-home environmental trigger assessment completed within the last 12 months utilizing the Medi-Cal APS benefit that identifies the medically appropriate asthma remediations that are needed by the member.
2. A cost estimate of the asthma remediation products and/or services needed by the member, broken down into the following two (2) cost categories:
   a) Asthma remediation products
   b) Home asthma remediation intervention services

Once SCFHP receives the referral and cost estimate, the Community Supports team reviews for eligibility determination and appropriateness of the items included in the cost estimate. If the member is authorized for services, the Community Supports team will provide written approval of the cost estimate. The total cost estimate cannot exceed $7,500 per member per authorization. If the assessment and detailed cost estimate are not submitted with this referral form, SCFHP will not authorize the member for services.

Environmental Accessibility Adaptations (EAA)/Home Modifications

1. An order from the member's current primary care physician (PCP) or other health professional specifying the need for the requested equipment or service for the member.
2. The skilled nursing facility (SNF) or hospital discharge paperwork/plan.
3. Documentation from support agencies indicating the services or supports are needed by the member.
4. Brochures or flyers describing the purpose and efficacy of the equipment.
5. If the request is supporting a transition from a SNF or hospital and a home safety evaluation was recently completed by a physical or occupational therapist, submit the evaluation and report.
6. For any modification being requested to a housing unit not owned by the member, SCFHP requires the following written consent:
   a. A document signed by the landlord or owner that acknowledges their understanding of the requested home modification(s) and provides their approval for any modifications that may occur on or to their property. The document must include the following:
      - The landlord or owner is aware of the modifications being recommended based on the in-home assessment.
      - SCFHP is not responsible for any maintenance or repairs of any modifications for which they paid.
      - SCFHP is not responsible for the removal of modifications for which they paid should the member cease to reside at the residence.
   b. A document signed by the member that acknowledges their understanding of the requested home modification(s) and provides consent regarding the statements above for any modifications that may occur on or to their place of residency.

      Note: If the landlord or member refuses to provide the required acknowledgment documentation as reflected above, the member is not eligible to receive the services.
7. A cost estimate of the services and/or home modifications needed by the member, broken down into the following four (4) cost categories:
   a. Specific equipment or services that do not require home modifications
   b. Home modifications
   c. Personal Emergency Response System (PERS) service
   d. Pest treatment or removal service

Once SCFHP receives the referral and cost estimate, the Community Supports team reviews for eligibility determination and appropriateness of the items included in the cost estimate. If the member is authorized for services, the Community Supports team will provide written approval of the cost estimate. The total cost estimate cannot exceed $7,500 per member per authorization. If the assessment and detailed cost estimate are not submitted with this referral form, SCFHP will not authorize the member for services.

Referring Entity or Member Attestation of Completeness and Accuracy of Information Provided
